LETTERS TO SANTA 2026

Your name on Wausau's holiday mailbag

Every December, kids across the Wausau area write to Santa and Wausau Pilot & Review publishes their letters. This year the mailbag is a page of its own: families send letters, read everyone else's, post their child's to Facebook and print a reply from Santa. One business presents all of it.

Letters open Nov. 27
Last day to write: Dec. 18
Every letter and the prize winners: Dec. 23

Good to know

Children appear by first name, age and town only, and an editor reads every letter before it's published. Sponsors don't choose or review letters. Links to your site are tagged, so visits from the mailbag show up in your own analytics, and we count clicks from each placement.
